

PRIVATE SCHOOL
SWAKOPMUND

2023 VACANCY

MATHEMATICS & COMPUTER SCIENCE TEACHER HIGH SCHOOL POSITION

MEDIUM OF INSTRUCTION: ENGLISH

Private School Swakopmund (PSS) is an integrated and innovative institution which caters for teaching and learning in smaller groups. Subjects are being taught in accordance with the Cambridge Curriculum.

The School now seeks to employ a **High School Teacher** with sound experience in teaching **MATHEMATICS and COMPUTER SCIENCE up to at least an IGCSE level**, although not essential, experience in teaching AS/A level would be an added advantage.

Commencement date would be beginning of the school year in January 2023.

We would expect that the successful candidate to possess the following qualifications, experience and competencies:

- A BSc degree with Mathematics as major, although a post graduate degree will serve as a strong recommendation as well.
- A post-graduate **teaching qualification**, enabling the holder to teach in the Secondary Phase;

- **Excellent communication skills** in English (written and spoken);
- A successful track record of a minimum of 5 years, teaching Mathematics at a high school level, whilst having taught up to Grade 12 or A-levels would serve as a strong recommendation; being able to teach Computer Science would provide for flexible subject distribution possibilities.
- “IT Tech savvy” and having had exposure and training in using technology in teaching the required subjects online or the use of Moodle, Smart boards or Tablets would be a requirement.

We value colleagues who:

- Make a positive contribution to our Team Spirit
- are enthusiastic about (... in fact, love) being a teacher;
- are innovative and flexible in the ways that they teach;
- are prepared to contribute to school activities;
- are loyal and enthusiastic about our School, its students and their team of colleagues; and
- who, through interest in students and their field of study, go the proverbial extra mile for their team and for their students.

Applicants should preferably be Namibian citizens or have the right to permanently reside and work in Namibia.

If you are interested in working in a dynamic team, you are invited to submit your application by **electronic mail only** to vacancies@pss.com.na, which should be submitted before or on: **Application deadline: 16 November 2022.**

Please note that only shortlisted candidates will be notified.
