

2025 VACANCY

PRIVATSCHULE
SWAKOPMUND

INTERNATIONAL CAMBRIDGE PHYSICS & CHEMISTRY TEACHER

Private School Swakopmund (PSS) is an integrated and innovative institution which caters for teaching and learning in smaller groups. Subjects are being taught in accordance with the Cambridge Curriculum.

The school seeks to employ a **High School Teacher** with sound experience in teaching **Physics & Chemistry** up to at least IGCSE-level. Experience in teaching AS/A level would be an added advantage.

Commencement date would be **21 July 2025**.

We would expect that the successful candidate to possess the following qualifications, experience and competencies:

- A BSc degree with Physics and Chemistry as a major, although a post graduate degree will serve as a strong recommendation as well.
- A post-graduate teaching qualification, enabling the holder to teach in the High School (Grade 7-12);
- Excellent communication skills in English (written and spoken);
- A successful track record of a minimum of 5 years, teaching Physics and Chemistry at a high school level, whilst having taught up to Grade 12 A-levels would serve as a strong recommendation; being able to teach Computer Science would provide for flexible subject distribution possibilities.

- Proficiency in information technology is essential, with prior experience and training in integrating technology into teaching. Candidates should be adept in using online platforms such as Moodle, as well as Smartboards, tablets, and other digital tools relevant to the curriculum.

We value colleagues who:

- Make a positive contribution to our Team Spirit
- are enthusiastic about being a teacher;
- are innovative and flexible in the ways in which they teach;
- are prepared to contribute to school activities;
- are loyal and enthusiastic about our School, its students and their team of colleagues; and
- who, through interest in students and their field of study, go the proverbial extra mile for their team and for their students.

What we offer:

- A supportive working environment with opportunities for professional development.
- Competitive salary commensurate with experience.
- Access to well-equipped and high-quality facilities and resources.

Applicants should preferably be Namibian citizens or have the right to permanently reside and work in Namibia.

If you are interested in working in a dynamic team, you are invited to submit your complete application together with at least three references, certified copies of certificates and residence status by electronic mail only, which should be submitted before or on:

Application deadline: 2 June 2025
