<p><b>Grade 11 - (Either IGCSE year extended <u>OR</u> start AS course)</b> Students have the choice to either extend their IGCSE year with the aim to gain better marks in current subjects (these students will <b>not</b> have the option to do AS level unless they stay an extra year at school). Students choosing to do the AS qualification certificate, will start their AS subjects at the beginning of their Grade 11 year. They must write their external IGCSE examination (internal or external) at the end of Grade 10.</p>	<p><b>Grade 12 - (AS Level)</b> Students continue with AS Level subjects of choice. <b>A minimum of 4 subjects are needed for South African Universities.</b> Students may choose a maximum of 6 AS subjects.</p>	<p><b>Grade 13 - (A Level)</b> Students can choose up to 4 A-level subjects. A minimum of 3 subject is needed to obtain an A-Level School Leavers Certificate. We offer Chemistry, Physics, Mathematics, Biology, Geography English and Accounting. To be considered for an A Level course, students have to pass the chosen subject on AS Level with at least a C symbol. Candidates will be invited for an interview.</p>
