**WHEREAS:**

- A. The Student is enrolled at the Private School Swakopmund (hereinafter referred to as “PSS”) at the insistence of the Guardian.
- B. The Guardian has agreed to the Student participating in PSS’s various activities (including daily breaks, day-to-day sporting, cultural, educational, and other activities and excursions) to be arranged by the PSS both in and outside the premises of the PSS.
- C. In particular, the various activities referred to hereinabove may include, but are not limited to daily breaks, cultural excursions, sporting events, physical education, and social excursions which will all take place on 1 (one) school day or less and either in the premises of PSS and if not in the premises of PSS then within the municipal jurisdiction of Swakopmund. (Hereinafter referred to as “*the Activities*”.)
- D. The PSS has decided to undertake the Activities for purposes of, *inter alia*, the Student’s further all-round education.
- E. The PSS has undertaken to arrange transport, where necessary, for the Activities. Such transport may be provided by means of the PSS’ own passenger carrying vehicles, hired third party transport, by other parents of students enrolled at the PSS, or by staff members of the PSS using private vehicles.
- F. The Guardian has consented to the Student making use of the said transport for the Activities.
- G. In the event of a medical emergency, the Guardian gives permission to PSS and any of the above-mentioned persons to provide such emergency medical treatment to the student and/or to transport the Student to the nearest hospital or clinic or any other medical facility which is adequate enough to provide sufficient and proper emergency medical treatment as required by the Student. PSS shall at all times endeavour to contact the Guardian either prior to the administration of the medical treatment or as soon as possible during or thereafter; though, in the event of PSS being unable to contact the Guardian, the Guardian herewith consents to the necessary emergency medical treatment being administered to the Student, nonetheless.
- H. The PSS, as a precondition to the Student being allowed on the said Activities, requires the guardian of said Student to waive all liability that it or any of its officials, staff members, or other parents might incur on the said Activities, with regard to the well-being of the said Student and to indemnify it and or its officials and to hold them harmless against any claims arising from the said Activities, with regard to the well-being of the said Student.

**NOW THEREFORE:**

1. Indemnity and voluntary assumption of risk:

- 1.1 In consideration of the above, the Guardian does hereby indemnify and agree to hold PSS, its governing boards, employees, agents, and any private parent as aforementioned, harmless against all claims, costs, charges or expenses, which the PSS, its governing boards, or any of the aforementioned persons may at any stage become liable for to pay in connection with or arising from any damage, loss (including consequential loss), any medical treatment (emergency or otherwise), or injury of any description whatsoever and howsoever incurred, which may be suffered by the Student while traveling to the destination of the Activities, attending to the Activities, and travelling back to PSS.
- 1.2 We understand that PSS and or any parties mentioned in 1.1 are not insured against any such damage or injury or loss and we hereby voluntarily accept the risk of any such damage or loss or injury being sustained by the student, insofar as it might result from any negligence (except gross negligence) on the part of PSS and or any of its officials. We realise that the said Student has voluntarily and without any inducement from any official of PSS agreed to participate in the said Activities and we therefore agree not to hold PSS and/or any of its officials liable for any injuries and damages sustained by the Student in these Activities or as a result of the Activities and to indemnify PSS and/or its officials against any claim arising from the said Activities.
